Last Day Term 2          27th June

LOST PROPERTY

Now that the weather has become cooler we are collecting a very large amount of lost property. Please label your child’s jackets and jumpers so they can easily be returned.

If you do find that you have missing items, please come into the school office to check if they have been handed in.

Over the next few weeks every student will be receiving an XO to use at school as part of their learning program. An XO is a small notebook computer that gives the students opportunities to explore and experiment with technology.
5/6F presents Cinderella
