OPEN CLASSROOMS
As always we had a positive response to our Meet the Teacher / Open Classroom afternoon. More than half of our families were able to drop in to visit classrooms and teachers welcomed this opportunity to have a chat with you.

Don’t forget that if you were unable to attend on this day and would like to meet with your child’s teacher, please contact the school office. The teacher will ring to arrange another time.
Thanks again for your continued support for the education of your children.

Don’t miss out . . . Order Now
